USPS.com® provides various online tools to help you ship when you're on the go as well as help control home, business or PO Box™ mail delivery with easy-to-use links. These tools include:

- **Buy Stamps:** Go to USPS.com to buy your choice of featured Forever® Stamps, as well as semipostal stamps which help to support great causes.
- **Track & Confirm:** Point-by-point tracking details when shipping with Priority Mail/Priority Mail International®, Express Mail/Express Mail International® or Global Express Guaranteed (GXG®).
 - Using Delivery Confirmation™, Certified Mail™ or Registered Mail™ services, you can see when your packages go out for delivery.
- **Change Your Address or Forward Your Mail:** For anyone who has recently moved and wants to receive mail at a different address.

- **Premium Forwarding Service®:** Whether you're moving temporarily or permanently, your mail will be forwarded from 2 weeks up to 1 year. For \$15.25 per week, USPS® will hold mail, package it up and reship it to you in a weekly Priority Mail® shipment.
- **Hold Your Mail:** Mail will be held at a local Post Office™ from 3 to 30 days. All mail will be held per address identified, not individually.
- **Schedule a Redelivery:** You can use the peach-colored redelivery notice (PS Form 3849) on your door or in your mailbox to go online, look up your missed items, schedule a redelivery or have your Post Office hold the package for pickup.
